

Ice Motion

Here in the [Ice Motion](#) section, you, as a member of the community, will have access to a new video every Thursday filled with insights and concepts specific to enhancing your articulation skills.

Some of the videos will be recorded in my home office in Eagle River, Alaska. I look forward to sharing some of the majesty right outside my window as the weeks go by. From snow covered peaks to midnight sunsets, I look forward to sharing these spectacular views with you.

There will also be videos from some of the different cities and countries I travel to while sharing the [Remember the Ice](#) message.

Take a moment to view my welcome video, and enjoy [The RTI Community](#) .

Empowering regards,
